Logic Board Screw Locations

Important: Most of the screws recommended here include a strip of blue Nylock to ensure a secure fit. Although some of these screws were not used on the iBook G4 models during initial production, we recommend using them, rather than the original screws, whenever possible for added security.

Part Ordering Information

From the previous pages, you can see that the three most popular screws are 922-6906, 922-6907, and 922-6908. Although you can order these parts individually, larger quantities can be found in the following kits:

- 076-1255 includes twenty-five 922-6906 screws, five 922-6907 screws, and ten 922-6908 screws (as well as smaller quantities of other screws).
- 922-8020 includes 450 of the 922-6906 screws.
